Coach's Tip of the Month

THEIR Kitchen is your 3rd Partner.

You and your partner are back, the opponents are at the kitchen line, positioned and ready.....use their kitchen.

Why?

It makes their paddle and head drop while you and your partner grab real estate to neutralize the advantage they had.

Friendly Reminder About Wristbands and Gatekeepers

Just a friendly reminder to wear your wristbands while at the club. It helps our awesome gatekeepers know you're a member and keeps everything running smoothly.

They're just doing their part to help out, so let's make it easy for them—and always be kind. A smile goes a long way!

Sneaker Donations

We appreciate the sneaker donations! They've been passed along to a program helping at-risk youth learn pickleball—now with the right gear to get started. If you have sneakers you are no longer using, we have a bin at the courts for donations. Thank you!
